WELCOME TO COUNTRY PINE FARM

What should I do to get my tree?

1. Stop at the saw shed (on the left) as you go past the bundling station. Pick up a saw (if needed). **NO CHAINSAWS OF ANY KIND ARE ALLOWED**
2. Follow the gravel road past the pond through the open gate to the fields of trees.
3. Cut your selected tree as low to the ground as possible.
4. Pull your tree out to the gravel road & wait for a worker to come along with a wagon to transport your tree to the bundler station. He will attach a tag to your tree, & give you one part of the 2 part tag. This is your tree ID & your part of the tag is needed to pay for your tree & identify your selection at the pickup area. Do NOT leave your tree without getting a tag from a worker.

--- DON'T LOSE YOUR TAG--- Suggestion: Take a picture of your tag as soon as it is placed on your tree. Be sure to get the ID number.

5. Pay for your tree inside the gift shop or at the outside window of the snack shop.

YOU MUST PAY FOR YOUR TREE BEFORE SECURING IT TO YOUR VEHICLE.

Your paid claim tag, with the current date will be checked before you go to your vehicle with the baled tree.

Once you've secured your tree to your vehicle, there is much more that you can do:

- Shop from local artisans inside our quaint gift shop.
- Check out our large assortment of handmade wreaths, kissing balls & other beautiful arrangements.
 - Enjoy treats from our snack shop
 - Relax before a warm fire in our fire pit area.

Please remember.... We do our best to give you a good experience while at our farm.

Please be patient and respectful to our workers & other customers.

**THANK YOU FOR MAKING COUNTRY PINE FARM A PART OF YOUR
CHRISTMAS TRADITIONS.**
